

**New York State Fraternal Order of Police
Jason Conklin Memorial Lodge #957
Orange County, New York**

___ NEW MEMBERSHIP ___ TRANSFER ___ ANNUAL RENEWAL

The Fraternal Order of Police is a national organization dedicated to serving the public through protection and safety and to serve Law Enforcement Officers through the improvement of the profession and the protection of the police officer.

The National FOP started and continues to sponsor the ceremonies in Washington, DC every May 15 in honor of National Police Memorial Day

**NYS FOP IS NOT A UNION
BUT A FRATERNAL
ORGANIZATION**

In 1979 the first FOP Lodge was opened in NY State. Like the First Lodge in 1915, this lodge was also opened by a small number of police officers. Today NYS boasts more than 19,000 members in over 100 Lodges

Why join us now if you are already a member of another police group?

The answer is simple. First of all, many of our members also hold membership in other police groups. The FOP is a National Organization and therefore can provide all of its members a connection just about anywhere in the United States., a benefit for both working and non working officers. Simply put, FOP provides the "Hello" whenever you travel within NYS. We can connect you with officers in more than 100 lodges in the state.

The FOP was a lead organization behind the passage the National "Right to Carry Bill", HR-218.

The FOP speaks for all officers with national, state, and local officials

The FOP offers an optional Liability Insurance Plan for your on and off duty actions

The FOP offers discounts for auto insurance in NY State. Members of Lodge 957 enjoy discounts for several brands of cars and trucks, which can save you thousands of dollars.
